

## Cambridge September and October Calendar

**Important Information:** Because the schools have many activities going on every week we are not always able to use the same location each week. All Just For Kix classes will be in the same building where ever we have class. This year we will either be at the Cambridge Intermediate School (CIS) or the Cambridge-Isanti High School (CIS). After each class date I will post the location of the class. This will also always be in the online calendar. If you have questions please let me know. For September and October we will always be at the Cambridge Intermediate School.

**Please note:** When entering the CIS you must enter through **DOOR 1** and walk through the school to your class!
